

Camri®

Iron Porcelain

LEADING TABLEWARE BRAND

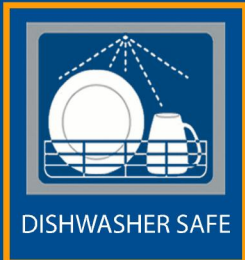

Company Introduction

Established in the year 2005 “Camri” is now the leading table ware brand in Pakistan. Camri products are being used in top restaurants, hotels, airlines, hospitals in Pakistan such as Aga Khan University Hospital, Pakistan International Airline, Pakistan Kidney and Liver Institute, ICBC Bank, TM Hotels etc. Camri is the name which reflects quality, durability and aesthetics for its loyal and prestigious customers. Camri products are available at leading stores across Pakistan such as Metro Cash & Carry, Hyperstar etc. Our table ware products include porcelain crockery and Stainless steel cutlery. Camri Crockery offers three types of porcelain materials; Iron porcelain, Fine porcelain and Bone China. We are specialist in hotel ware porcelain crockery.

Strength

Our new material is the strongest in the porcelain family due to which it is termed as “Iron porcelain”, which is impact resist, chip resist and break resist. It is fired at 1450 degree Celsius temperature which gives it more strength, durability and smooth glaze as compared to any other type of porcelain.

Microwave oven, Dish washer

Camri Iron Porcelain is durable, It suitable for microwave ovens and dishwashers use.

Translucence

Camri Iron Porcelain is fine and translucent. Light can easily pass through it. It is a characteristic of super fine porcelain.

Food Grade

Camri Iron Porcelain is made from organic raw materials in compliance with health and safety standards.

Ovenproof

Camri Iron Porcelain is ovenproof to 300°C.
